SACRED HEART COLLEGE
Belmont, North Carolina

the seasons come and go
 the days burst into weeks
 the weeks turn into years
 and this is the story of a particular
 year
 yes, this was the year that was
 it was the year of patterns.

that very first "special day"
the days of sunshine
the days of calmness
the days of an approaching difference
and then the day comes . . .

the day of peace
that first home game
that first flame
the spirit that fall is here
and hope is in a breath
you smell the air
you taste life . . .

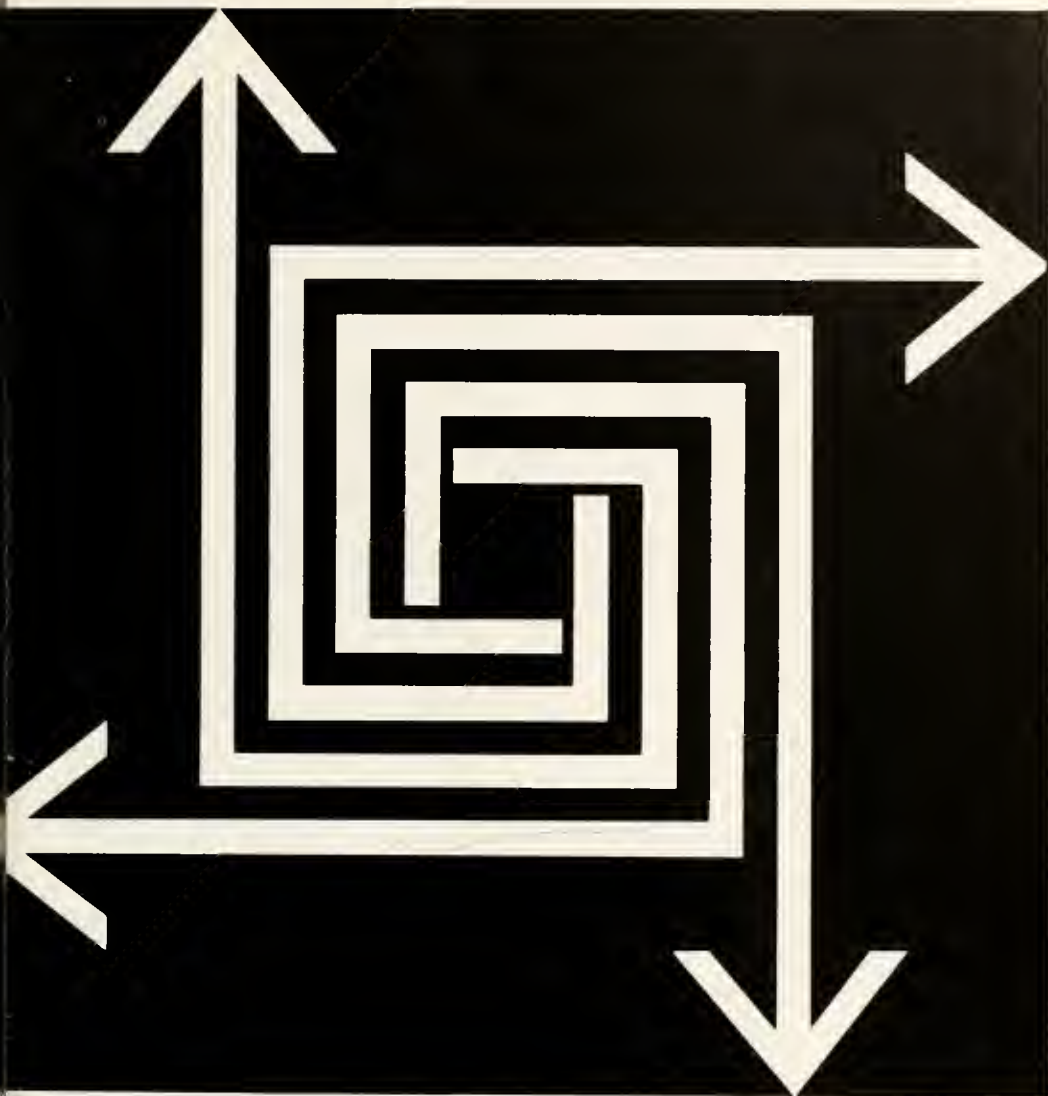

the air is getting colder
and you, the person is becoming
harsher
you become immune to those
unanswerable questions
you can't get bogged down
in . . .

that first exam
no, you can't give up
you're reaching
for knowledge . . . of life
this is only a piece
a piece to a pattern that will never
be finished . . .

trivia
 life is beautiful
 reach out and hold on
 they are pieces
 pieces to add to your pattern
 a day of thanks
 for the failures and the
 successes
 for the rejections and
 the acceptances
 a day of love . . .

**you have come and you have lived
you have lived the seasons of life.**

this is:

the establishment
the red tape
the way "out"

and yet:

the comforter
the educator
the instigator of knowledge

SEEKERS

Daisy, Daisy, give me your answer, do
 I'm half crazy, all for the love of you
 It won't be a stylish marriage
 I can't afford a carriage
 But you'll look sweet
 Upon the seat
 of a bicycle built for two.

take my hand
we need each others
strength
then let us physically

but
remember
one can never separate

spiritually;

i shake

i quiver

i die

i am afraid

but i'm ready
for it is only in dying that
we can live.

yes, we have life
let us go out

and meet it

let us live

The staff would
like to extend their
thanks for the help
both have given to
us.

The class of '70 —
the "special"
the first
the ones who experimented
and who were experimented upon
who experienced change
who drew the initial lines
for patterns to follow
the cause of the day break
for a college establishment
who gave courage
to their successors —
to these very special firsts
we, therefore,
give a gift of a finished pattern.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.
